Ever wondered what it's like to be a dog? How powerful is a dog's sense of smell? What's it like to use your mouth as a hand? How do dogs sense time? Reading this book is probably the closest you'll ever get to understanding your pet - a truly fascinating read.

For Riders

WHY: For a real touch of class! For Riders' classic hand-made dog coats are both practical and tough, and they also look great. Pictured is the towelling wrap, which is brilliant after a bath, a swim or a wet walk. Best of all, For Riders' coats fit all shapes and sizes, with cutaway fronts to accommodate short legs if required. For the correct shape they just need the measurements from scruff to base of tail and around the widest part of the barrel, and the breed/type. Other models are wool-lined waterproofs with fluorescent stripes and ultra-warm Witney stripe wool, all made-to-measure. For safety, the coats feature Velcro closures.

PRICE: Terrier coats start at £22.50 and Whippet/Greyhound-style coats with necks and surcingles start at £26.

THE PRIZE: One coat of your choice, made-to-measure for your dog.
